

## FOR IMMEDIATE RELEASE March 23, 2010 REMIS AMERICA Invests in Production, Creates Jobs

(ELKHART, INDIANA) REMIS AMERICA, a leader in energy efficient products for grocery retailers, is proud to announce that it has opened a new production line at its Elkhart, Indiana headquarters. This new 35,000 square foot facility represents a multi-million dollar investment and has created over 25 new jobs since the company's inception in February of 2009. Additionally, the company's business model forecasts an impressive 30+ new hires by year's end 2011.

"We are hiring local talent and sourcing from Indiana suppliers to create additional job growth for the local economy," explains Jim Schwartz, REMIS AMERICA CEO. "Our company has always valued the Elkhart county work force and supply base and we are proud to provide another way to help Indiana grow."

The production line is not the only area of growth and job creation for the company according to Tom Nagy, REMIS AMERICA President. "Having our own installation and service teams allows REMIS AMERICA to have total project control from engineering through production to installation."

REMIS AMERICA'S, eco-friendly, energy saving systems are unrivalled in keeping energy consumption low by providing a full range of medium temperature insulated glass doors and bunker freezer covers, installation and service. These proven glass doors and covers are engineered to offer up to 60% energy savings and are in use in over ten thousand retail stores throughout Europe, via the sister company, REMIS GmbH of Cologne, Germany.

REMIS AMERICA, headquartered in Elkhart, Indiana, is the result of a joint venture between, DEHCO, Inc. of Elkhart, Indiana, and REMIS GmbH of Cologne, Germany.

In addition to the Midwest headquarters, REMIS AMERICA offers a network of sales and service centers throughout North America, including: Eugene, OR, Ocala, FL, Elkhart, IN, Adel, GA, and Manheim, PA.
