REMIS AMERICA Continues Growth, Hires Waldron

(ELKHART, INDIANA) REMIS AMERICA adds another key member as they continue to expand in the grocery retail industry. Rick Waldron has joined the team as Product Manager.

REMIS AMERICA offers retro-fit refrigeration doors and covers to grocery retailers and OEM case manufacturers that significantly cut energy costs and reduce the retailers' carbon footprint.

As Product Manager at REMIS AMERICA, Waldron will be the direct link in communicating all product and order detail to the sales and engineering teams. Waldron will also be involved in every aspect of production, installation and sales support.

Prior to joining REMIS AMERICA, Waldron worked for Tyler Refrigeration in Niles, Michigan for 30 years, where he focused in Product Management and Product Planning. Waldron received an Associate of Science from Southwestern Michigan Collage and a Bachelor of Science from the University of Michigan.

REMIS AMERICA'S, eco-friendly, energy saving systems are unrivalled in keeping energy consumption low by providing a full range of plus temperature insulated glass doors and bunker freezer covers, installation and service. These proven glass doors and covers are engineered to custom fit individual refrigeration case specifications and are in use in over ten thousand retail stores throughout Europe, via the sister company, REMIS GmbH of Cologne, Germany.

REMIS AMERICA, headquartered in Elkhart, Indiana, is the result of a joint venture between, DEHCO, Inc., Elkhart, Indiana, and REMIS GmbH of Cologne, Germany.

In addition to the Midwest headquarters, REMIS AMERICA offers a network of sales and service centers throughout North America, including Eugene, OR, San Diego, CA, Ocala, FL, Elkhart, IN, Adel, GA, and Manheim, PA.
